No 4133/283 Dated 21 10 9 Received 26 10 9

Diary No 2845 | Enclos - | Spare Copies - | Serial No 1

BRIEF ABSTRACT OF LETTER

Recommends that the two colleges may be made govt. institutions in the same way as the Chamarajendra Sanskrit College at Bangalore, so that the pandits working in them may earn a pension as a relief to them in old age

NOTES AND ORDERS

S

The Chamarajendra Sanskrit College was an aided institution before it was made a govt institution by G.O. no 537-41/LC-219-93/8 12th July 1894 and the pandits on its staff have become eligible for pension under the Service Regulations

The D G of Edn states that the Maharaja's Sanskrit College at Mysore under the management of the Palace Devastanam Department, receives annually a grant of Rs 9000 from the Edn Dept & is one of the best, if not the best, Sanskrit College in Southern India, and that the Institution at Melkote receives a monthly grant of Rs 170 from the Edn Dept He remarks that the Pandits of the Colleges command the highest respect for their learning, but that they can make no provision for their old age owing to the smallness of their emoluments

2 Submd for orders No information furnished as to the retrospective cost which may eventually be borne by Govt if the proposal should now be sanctioned

15/11/09 DJS/17

3 There seems to be no doubt that the Pandits in the Oriental Colleges deserve the concession of a title to pension. ~~But~~ The pandits of the College in Bangalore are already eligible for pension. The college in Mysore is practically a Govt or rather a State institution though managed by the Palace officers & it seems to be very reasonable to extend to its Staff

the privilege of pension &c the cost may be met by the Imperial Dept the General Revenues or by the Palace. Whether the grant of pension from State Funds should render necessary ~~to regard~~ any change in the management of the institution is a matter for consideration. Perhaps the contribution from the Palace funds & others somes may all be treated as part of receipts & the whole Exp — as part expenditure, though the management & the control over the staff may be kept as at present to in the hands of the Palace officials.

The question of the Melkote College is slightly different. It is a purely private institution receiving a grant-in aid from part in the Edn Dept. It is understood that the present Principal Pandit Venkatarama Krishnammacharya is a very learned man & well deserving of the highest regard ~~consideration~~. But it ~~seems to~~ may be urged that the question of treating the College as a part institution should be decided on general grounds and not on reasons based on purely personal considerations. Treating the subject on general lines ~~considerations~~, it would

GPB—5 000—27 4 09

seem that four Sanskrit Colleges one at Bangalore & one each at Mysore are quite sufficient for the needs of the State & that a third institution at Melkote — only a short distance from Mysore — is not very essential. Even the College at Bangalore is not said to be working very satisfactorily & it would perhaps conduce to greater efficiency to concentrate all effort on the College at Mysore and keep it in first class condition. There is not much use in frittering away the energies of the State in keeping up a number of similar institutions in a number of localities in the State. The State is comparatively a compact tract and one good central institution kept up in first rate condition will meet all ~~legit~~ ~~legitm~~ legitimate demands.

5 Instead therefore converting the Melkote college into a four institution it would be better to improve & if necessary to extend the Mysore Colleg

and drop the food penalty of the former College to the latter.

b For these reasons the recommendation of the D.G may be rejected so far as the Melkote College is concerned & the question of the Mysore College may be further considered in the Mussai Dept in Consultation with the Palace authorities.

From

Inspector General of Education in Mysore

To

Secretary to the Government of H H the Maharaja of
Mysore, General and Revenue Departments, Bangalore

SIR

I have the honour to inform you that there are in the State three Oriental Colleges in which the higher branch of Sanskrit learning are taught These are the Manaraja's Sanskrit College at Mysore, the Chamarajendra Sanskrit College at Bangalore and the Sanskrit College at Melkote The first one is under the management of the Palace Muzrai Department and receives an annual grant of Rs 9000 from the Education Department and is one of the best if not the best Sanskrit College in Southern India The Chamarajerdra Sanskrit Col was an aided institution but was made a Government institution by Governement Order No 537-41/L F 219-93 dated the 12th July 1894 and the pandits on its staff have since become eligible for pension under the Mysore Service Regulations The College is under the management of the State Muzrai Department but its cost amounting to Rs 498 a month is borne by the Education Budget Towards the total cost the following monthly contributions are received -

Rs 100 from the Sringeri Mutt, Rs 10 from the Sivagange Mutt

Rs 125 from the Education Department, Rs 50 from the Bangalore City Municipality, Rs.183 from the funds of the Maharaja's Sanskrit College, and Rs 30 from the savings of Chamarajnagar and Kalasa temples. The Sanskrit College at Melkote is an institution receiving from the Education Department, a monthly grant of Rs.170 These three institutions have on their staff some of the most learned Pandits who have made the study of Sanskrit language and literature their life-work They command the highest respect for their learning but from a worldly point of view, their position and prospects are any thing but cheering Their emoluments being small they can make no provision for old age, although they live a simple life I beg to submit that the high order of their attainments no less than the excellence of their work deserves recognition in a substantial manner at the hands of His Highness' Government which has done so much to foster sanskrit learning I would therefore strongly recommend that the Maharaja's Sanskrit College at Mysore and the Sanskrit College at Melkote may be made Government institutions in the same way as the Chamarajendra Sanskrit College at Bangalore so that the Pandits working in them may earn a pension. This help will afford them immense relief and will be a boon to them in their old age I very strongly recommend that this concession may be kindly granted at the earliest convenience of His Highness' Government.

I have the honour to be,
